

North Midlands & Eastern Counties Cocker Spaniel Club  
Sunday 24 November 2019

Firstly, I would like to thank the officers and committee for their kind invitation to judge their festive club show. I would also like to thank my hard-working stewards who helped the day run smoothly. It was a huge pleasure and privilege to have the opportunity to judge your lovely cockers. The overall quality was high and in more than one class I could have awarded a number of first places; in the end it did really come down to splitting hairs. I feel it is important to mention that I did come across a number of incorrect mouths, which as a breed we should be mindful of.
